Parental Guidelines

Dear Parents,

We want you and your child to receive the best possible treatment at our office. We feel this is a joint process in which the parents will play a pivotal role. Dental offices perform both non-invasive and invasive procedures at the same time in the treatment area. Your child's regular check-ups are considered non-invasive, while dental surgery and operative are considered invasive.

As a parent we know how much time you've spent in your child's physicians office and we, as dentists, share some similarities with them; most notably seeing several patients throughout the day for non-invasive procedures. The most notable difference is that a physician will perform their invasive surgeries in an outpatient setting or a hospital where only staff and doctors are present. A dentist performs his surgical and operative procedures in the same area and at the same time as our non-invasive patients are seen. The dentist requires the same level of concentration given to the physician in their controlled environment. Minimum movement and distractions in and about the operative area are crucial for optimal care of the children. You can assist us by following a few guidelines:

- Allow us to prepare your child.
- Be supportive of the practice's terminology.
- Please be respectful of our staff as we are respectful of you.
- We welcome you to come back to the Treatment Area for your child's visit. However, there are occasions where you will be asked to leave the room for the safety of yourself and your child, such as when taking x-rays. One of our staff members will be with your child at all times.
- You are responsible for remembering your child's appointment and arriving on time. If you are late by 10 minutes or more, the appointment will have to be rescheduled. We will give you a courtesy reminder call 1-2 days before your scheduled appointment at the phone number you provided us with. If you need to reschedule or cancel your appointment, please give us at least 24 hour notice. With 2 appointments missed in a row (no call/no show) you will not be able to rebook and will receive a letter of dismissal from the practice.

Financial Agreement

If insurance benefits are assigned to the doctor, you will be responsible for paying your deductible and copayments at the time of service. You are responsible for paying all charges not covered by your insurance company, including all fees considered above your insurance company's usual and customary fee schedule. Your insurance benefits are a contract between you and your employer. The amount of coverage you receive will depend on the quality of the plan purchased by your employer, not the fees of Seven Seas Pediatric Dentistry.

In case of insurance, we will be happy to help you receive the maximum benefits available under your policy. As a courtesy, we will file your insurance benefits for you after every visit. However, please realize that the relationship is between you, the insured, and your insurance company. If we do not receive payment from your insurance company within 30 days after submission of claim, you will be expected to pay for all dental services in full. In the event of duplicate payments, your account will be reimbursed.

Once the treatment plan and estimated insurance benefits are reviewed with you, we ask that you pay your portion in full at the time of service.

Office Attendance Policy

Please understand all of our appointments are scheduled in 30 minute increments. We allow a 10 minute grace period for your appointment. Arriving after this does not allow Dr. Evan or our Hygienists an adequate amount of time to complete treatment without inconveniencing the families scheduled after you. If you arrive after the 10 minute limit your appointment will need to be rescheduled to another day.

We are a small office with only one dental provider and because of this it is very important that families arrive to appointments on time.

When arriving we also ask that you come directly to the front desk and check your child in immediately.

No Shows and Cancellations

We understand there are going to be days where you are not able to make it to your child's appointment. We ask that you call our office as soon as possible and let us know about any appointments that need to be rescheduled or canceled. Our voice mail is available 24/7 and is checked every morning and afternoon. Canceling appointments ahead of time allows us to use those open slots for families on our waiting list and keeps our schedule running as efficiently as possible.

After 2 no shows in a row we will not reschedule any appointments for your child and a dismissal letter will be mailed to you.

We do allow families with multiple children to book those appointments on the same day however, after 2 canceled appointments families with multiple children will be forced to separate appointments.

Confirmation Calls

Please keep in mind the remembering appointment dates and times are your responsibility as parents or guardians. Our office will give you a courtesy reminder call a 1-2 days before your child's scheduled appointment. Please update your contact information with us so that we have current/ working phone numbers available. Not receiving a reminder call is not a valid excuse for no showing or arriving late to appointments.
